# TRAINING, DEVELOPMENT & EMPOWERMENT

Burgess has a fully-fledged & evolving Training Centre. We committed to the development of its diverse workforce. Our aim is to develop more qualified plumbers and to train our people in skills that complement our customer centricity.

Burgess is committed to the upliftment and empowerment of previously disadvantaged individuals in our employ. Our black economic empowerment initiatives are centered around developing management and plumbing teams that comply with the BEE laws of South Africa as well as the requirements of our various stakeholders.

Our 2019 BEE rating for our empowerment company is Level 2 and we will continue to evolve our model with pragmatic sincerity, in all spheres of this initiative.
